Waterview Special Event Space Receives Top Venue Award

Vancouver, BC (December 15, 2015) - Waterview Special Event Space was the recipient of the award as **Best City Center Venue** from **Unique Venues Best Of Awards** at the 2015 event awards in Washington, DC.

The Awards recognizes non-traditional meeting and event venues that have made a difference for planners and the industry as a whole and applauds independent venues that have gone above and beyond during the course of a year. Announced in Unique Venues **Winter** Issue, the winners were voted on by professional and accredited event and meeting planners in Canada and United States.

Unique Venues Founder Michele Nicols says "All of our winners are true trendsetters and leaders. They're pushing the envelope, challenging peers in new, innovative ways, and providing services and benefits that haven't been done before."

About Waterview Special Event Space

In May 2015, Waterview unveiled an unparalleled space offering 3,250 square feet of open flexible interior space with floor to ceiling windows featuring panoramic views. Located on the north shore of False Creek, Waterview is Vancouver's premier waterfront destination for private parties, distinctive corporate events, unique wedding celebrations and other signature events.
